

LET'S FOCUS

DEVELOPMENT CENTER *for* WOMEN

Where It's Never Too Late For Change

Organization Listing and Volunteer Form

Let's Focus Development Center for Women was established in 2006 and is dedicated in helping ex-women offenders (EWOs) who were formerly incarcerated in a California Women's Jail and/or Prison incorporate themselves back into society by giving them the rehabilitation skills that have been extremely limiting or non-existence when they come from doing time on the Inside, behind the walls.

Let's Focus provides much needed useful help to thousands of women in prison and on the way out. We would love for you to be a part of our work and what we are doing to help women stay out of prison and we urgently need your support.

GROUPS/CHURCH/ORGANIZATIONS

Please provide us with the type of services you offer.

MENTORING

Let's Focus has a program for volunteers to provide extra support to women returning to society in the first few weeks and months after release. Are you an ex-women offender (EWO) who wants to become a part of the I-I support buddy program? Are you a non-judgmental woman with good listening skills and some daytime availability? Are you interested in mentoring a woman for up to 6 months post-release? Let's Focus will provide training and ongoing supervision.
